## **VI. Special Presentations**

### **1. Adjoin – Veterans Division Presentation (Attachment 2)**

Ana Norris delivered a PowerPoint presentation on Adjoin Veterans Division in Imperial and San Diego County. Adjoin is a non-profit funded and supported through the Department of Veterans Affairs to provide Supportive Services for Veteran Families (SSVF). Their vision is to be the most resourceful and impactful social service organization in building a world of inclusion.

Adjoin provides support to people with disabilities and Veterans in the Imperial Valley, including El Centro and other areas of California, offering independent living services, vocational/employment support, utility assistance, benefits navigation, mental health referrals, connections with various CoC entities, and transportation support, depending on each client's individual needs.

Adjoin dedicated 17,837 Hours of service provided to veterans in the last 4 years, with 2,348 veterans and families assisted in the last 6 years. In 2025, Adjoin assisted 54% of families and 46% of individuals through its rapid rehousing program, with the only eligibility requirements being a veteran status other than honorable discharge and experiencing homelessness or an imminent risk of homelessness.

Adjoin offers veterans up to two years of rent assistance for families behind on rent and facing eviction, plus housing prevention and arrears support.

Ms. Norris shared an example where Adjoin's support helped an individual gain benefits, stable housing, and an ID after multiple attempts.

### **2. Imperial Valley Regional Occupational Program – Housing Programs Presentation (Attachment 3)**

Gabriel Aguirre, Imperial Valley Regional Occupational Program (IVROP) Coordinator, and Yessenia Partida, Program Manager, delivered a PowerPoint presentation on the Housing Programs of Imperial County Department of Social Services (ICDSS) and IVROP. The Housing Programs utilize a housing-first approach, a model that uses evidence-based housing interventions, including rapid rehousing and supportive housing. Depending on the individual's level of need, the assessment of services to be provided does not include housing, and housing is not contingent upon participation in services.

Housing Support program (HSP) is a state-funded rapid re-housing program that supports CalWORKs families experiencing homelessness. In collaboration with ICDSS CalWORKs, Welfare to Work, and housing services, the HSP program provides a critical safety net through prevention, shelter, housing navigation, and financial assistance. Program services are guided towards homelessness prevention, including rental assistance, landlord incentives, and housing-related transportation. Approximately \$20,000 was allocated to utility assistance, totaling roughly \$500 per family and supporting 88 families in 2024 alone.

The Bringing Families Home Program (BFH) is a program that collaborates with Child and Family Services, reducing homelessness among families in the child welfare system and preventing foster care placement. BFH helps fill gaps in the local housing and child welfare systems to help families stabilize.

Housing Disability and Advocacy Program (HDAP) provides support to individuals experiencing homelessness with disability benefits such as SSI/SSDI, delivering housing support while disability applications are being processed, and building stabilization for adults with disabilities experiencing homelessness.

The Home Safe Program is designed to provide support to adults involved with adult protective services who are experiencing or at risk of homelessness. HS provides housing for people who should be able to access SS or can't expand SS. Home Safe program helps a major service opening for vulnerable adults, including seniors and adults experiencing abuse, neglect, or self-neglect.

The Housing Programs' annual goal is to support 200 CalWORKs families with permanent housing and homelessness prevention services. The HDAP program's annual goal is to house 25 individuals and provide homelessness prevention services to 10 individuals.

The Transitional Aged Youth (TAY) program provides homelessness prevention services to help young adults ages 18 to 24 secure and maintain housing. Priority is given to youth who are currently in foster care or through the probational system. Services are also available for youths experiencing homelessness. TAY provides hotel and Airbnb vouchers, as well as referrals to landlords who offer transitional housing and stable options.

IVROP helps youth focus and prepares students for careers and post-secondary success through programs like Project Connect. IVROP staff will work with family members and social workers to obtain the necessary documents to help the youth become independent.

Case management helps individuals maintain permanent housing after they stop receiving HSP or HDAP services and assists clients in transitioning from interim to permanent housing.

Referrals to the IVROP Housing Programs are made through a QR Code, completing the screening form to determine eligibility, or through the Homeless Resource Assistance Line number, (442) 265-0211.

Mr. Les Smith inquired about the number of youths currently enrolled in the housing programs. Ms. Partida explained that 45 participants are active in receiving services. Some participants are currently receiving assistance with rental transitions.

Ms. Partida shared information about the program Rising Stars, under Behavioral Health. This program employs staff members referred to as Youth Advocates. This role is designed as an entry-level position with IVROP, with the intent of providing employment opportunities for current foster youth who meet age eligibility requirements. Currently, foster youth advocates are actively working with the IVROP program.

## IMPERIAL VALLEY CONTINUUM OF CARE COUNCIL

January 7, 2026

Dear Imperial Valley Continuum of Care Council (IVCCC) Executive Board Members:

### **Requested Action:**

1. Ratify the Catholic Charities, Diocese of San Diego budget revision to increase homelessness prevention funding in their Homeless Housing, Assistance and Prevention Round 2 County Project.
2. Ratify the Catholic Charities, Diocese of San Diego budget revision to increase homelessness prevention funding in their Homeless Housing, Assistance and Prevention Round 2 Continuum of Care Project.

### **Background**

On June 29, 2020, Governor Gavin Newsom signed into law Assembly Bill 83 (AB 83) which appropriated funding for Homeless Housing, Assistance and Prevention (HHAP) Grant Program Round 2. HHAP Round 2 is a block grant program designed to provide jurisdictions with one-time grant funds to support regional coordination and expand or develop local capacity to address homelessness. The grant focuses on moving homeless individuals and families into permanent housing and supporting the efforts of those individuals and families to maintain permanent housing. HHAP Round 2 is also a block grant program that focuses on funding permanent housing interventions directly and providing clear pathways to connect people to permanent housing options. It is designed to continue building regional coordination and a unified regional response to reduce and end homelessness.

On May 23, 2023, the Board of Supervisors executed a standard agreement to allocate an amount of \$136,900.48 of the available HHAP Grant Program Round 2 County funding and an amount of \$134,920.18 of the available HHAP Grant Program Round 2 Continuum of Care (CoC) funding to Catholic Charities Diocese of San Diego (CCDSD).

Since the execution of the standard agreement, CCDSD identified a shift in community needs as they received a significant increase in Homelessness Prevention assistance requests. By providing assistance to the community with homelessness prevention, Catholic Charities will be able to stabilize households prior to these households experiencing homelessness. Homelessness Prevention is an eligible use of HHAP Round 2 County and HHAP Round 2 CoC Program. CCDSD submitted budget revisions for their HHAP Round 2 County and HHAP Round 2 CoC projects to meet the identified needs. The funds will be utilized to operate prevention activities that ensure families and individuals at imminent risk of homelessness maintain their permanent housing.

Respectfully,

Renee A. Robles  
Deputy Director

## IMPERIAL VALLEY CONTINUUM OF CARE COUNCIL

January 7, 2026

Dear Imperial Valley Continuum of Care Council (IVCCC) Executive Board Members:

### **Requested Action:**

1. Approve the budget revision to the Homeless Housing, Assistance and Prevention Program Round 5 to increase Rapid Rehousing funding from \$220,281.11 to \$314,026.40.
2. Approve the budget revision to the Homeless Housing, Assistance and Prevention Program Round 5 to increase Delivery of Permanent Housing funding from \$2,202,811.07 to \$2,284,682.21.
3. Approve the budget revision to the Homeless Housing, Assistance and Prevention Program Round 5 to reduce Street Outreach funding from \$146,854.07 to \$44,664.67.
4. Approve the budget revision to the Homeless Housing, Assistance and Prevention Program Round 5 to reduce Services Coordination funding from \$73,427.03 to \$0.00.

### **Background**

On July 10, 2023, Governor Gavin Newsom signed into law Assembly Bill 129 (AB 129) which appropriated funding for Homeless Housing, Assistance and Prevention (HHAP) Grant Program Round 5 (HHAP R5). HHAP R5 is established for the purpose of organizing and deploying the full array of homelessness programs and resources comprehensively and effectively, and to sustain existing federal, state, and local investments towards long-term sustainability of housing and supportive services.

Given the uncertainty of previously allocated federal funding, the Administrative Entity (AE) identified the need to revise the previously approved allocations. More specifically, it is recommended that the Street Outreach funding be decreased and Services Coordination funding be reallocated in its entirety to increase Rapid Rehousing and Delivery of Permanent Housing allocations. The funds will be utilized to support families and individuals experiencing homelessness obtain permanent housing and increase affordable permanent housing units within our region. Approval of the proposed budget revision supports continued implementation of the HHAP Round 5 Grant Program within existing funding authority and in alignment with eligible grant activities.

Respectfully,

Renee A. Robles  
Deputy Director
