Request for Proposals - RFP 0006-25 2024 Emergency Solutions Grants Program Questions and Answers

	Question	Answer
1.	Where is the 2024 ESG application located?	The 2024 Emergency Solutions Grants (ESG) application is built into the eCivis Portal. This platform is used by the California Department of Housing and Community Development (HCD) to accept electronic applications from applicants recommended by their Continuum of Care (CoC). However, the IVCCC will release a fillable application for applicants to submit to the IVCCC for Scoring and Ranking.
2.	Good morning. I dont see any program narrative questions on the portal. Will our attached items on the proposal checklist be the only items used to answer the scoring criteria?	IVCCC will release to applicants a revised proposal checklist and application form which includes program narrative questions.
3.	Is there any template for proposal or fillable application?	IVCCC will release a fillable application for applicants to complete and submit via PlanetBids Portal at: PlanetBids Vendor Portal .
4.	Will the deadline be extended?	Yes. The IVCCC has extended the application deadline to February 28, 2025. https://vendors.planetbids.com/portal/64020/bo/bo-search
