## **Section 1: Invitation for Proposals**

The California Department of Housing and Community Development (HCD) is pleased to announce the availability of new federal funds for the 2024 Emergency Solutions Grants (ESG) Program through a Notice of Funding Availability (NOFA). ESG funding is awarded to eligible applicants, including nonprofits and local government entities, recommended by the local Continuum of Care (CoC). Approximately \$39 million is available through the NOFA, including approximately \$12 million in FY 2024 funds, \$12 million in FY 2025 funds, \$12 million in FY 2026 funds, and \$3 million in disencumbered funds. The Imperial County Continuum of Care (CoC) would like to invite qualified applicants to apply for funds to address the needs of homeless individuals and individuals at imminent risk of homelessness in Imperial County. Proposals should be Housing First focused, ensuring that individuals experiencing homelessness or at risk of homelessness can access services that promote rapid and sustained housing stability.

The CoC, in collaboration with the Department of Social Services as the Administrative Entity (AE) would like to invite qualified applicants to apply for allocated funds via this Request for Proposal (RFP). The maximum funding available for projects in Imperial County is \$393,294 for FY 2024. Estimated allocations for FY2025 and FY2026 are \$327,682 each. The estimated allocation over the full three years is \$1,048,658. CoCs are responsible for recommending applicants to HCD for funds available under their NOFA. Therefore, qualified applicants interested in applying must submit their 2024 ESG application for review to the CoC no later than:

**February 28, 2025, at 4:00 PM**

Any revisions to this RFP will result in the IVCCC issuing an appropriate addendum. Once issued, all terms and conditions that are not specifically modified in the addendum shall remain unchanged. Revisions to this RFP will be posted on the following websites:

### **Section 3: Background**

HCD receives funding from the United States Department of Housing and Urban Development (HUD) to administer the Emergency Solutions Grants (ESG) program. The 2024 ESG NOFA outlines application requirements and timelines for recommended applicants. Funding in the allocation is made available based on recommendations from the CoC.

Those recommended by the CoC via this RFP are eligible to apply and must access applications through the [eCivis portal - Programs Available for Solicitation page](#). **HCD will no longer accept paper binder applications.**

The ESG program provides funding for the following objectives:

- Engaging individuals and families experiencing homelessness through outreach services.
- Improving the number and quality of Emergency Shelters for individuals and families experiencing homelessness by helping to operate these shelters and by providing essential services to shelter residents.
- Rapidly re-housing individuals and families experiencing homelessness.
- Preventing individuals and families at risk of homelessness from losing their housing.

These activities align with federal regulations under 24 CFR § 576.101 through 576.107, ensuring compliance with HUD's requirements for homelessness assistance programs.

### **Section 4: General Requirements**

#### **1. Three-Year Funding and Multi-Year Contracts**

The State anticipates that HUD will continue to allocate ESG funding to HCD on an annual basis. Moving forward, HCD now plans on issuing one ESG NOFA every three years, capturing all three years of estimated HUD funding in one application and Standard Agreement. Applicants awarded under this 2024 ESG NOFA will enter into one Standard Agreement that identifies the following Annual Funding Cycles:

- 1<sup>st</sup> Annual Funding Cycle (initial contract) - 2024-2026

Please note that the initial Annual Funding Cycle has an expenditure period of 21 months instead of the regular 24 months.

- 2<sup>nd</sup> Annual Funding Cycle (subsequent amendment) - 2025-2027; and,
- 3<sup>rd</sup> Annual Funding Cycle (subsequent amendment) - 2026-2028.

There is \$393,294 available for the 2024 Annual Funding Cycle. Applicants may request funding for programs that meet the following funding requirements:

- Rapid Rehousing (RRH): A minimum of 40% of the awarded contract/budget amount requested.
- Homelessness Prevention (HP): Limited to no more than 10% of any awarded contract/budget and will not be awarded as a standalone activity.

## 2. Amendments for Subsequent Annual Funding Cycles

Funding for each subsequent Annual Funding Cycle under the Standard Agreement will be completed through a contract amendment process. Subrecipients with active contracts under this NOFA will be notified by HCD of the updated allocations for the Annual Funding Cycles 2025 – 2027 and 2026 – 2028, once HUD has signed the grant agreement with the Department. Section 300 of the ESG Program Final Guidelines provides further details on the requirements for Standard Agreements and subsequent amendments. Pursuant to Section 306 of the ESG Program Final Guidelines, contractors may request to change the selected Service Provider and/or line-item changes (up to 25 percent of the awarded budget), which will be captured through a contract amendment process.

## 3. Method of Distribution

Prior to the publication of the ESG Program Final Guidelines, the Department issued two annual NOFAs separated into three types of funding: Continuum of Care allocation, Balance of State (BoS) allocation and Balance of State competitive allocations. The 2024 ESG NOFA will reflect the following changes in the method of distribution:

- Elimination of the BoS and CoC allocations;
- Removal of BoS competitive and non-competitive funding pools; and
- Removal of the three Geographic Regions (Bay Area, Central and Southern/Imperial)

Instead, a single allocation will be used to determine the estimated funding for each of the 40 eligible Continuums of Care (CoCs).

## 4. Emergency Shelter Requirements (ES)

Effective with the 2024 ESG NOFA, the Department will no longer fund Night-By-Night (NBN) Emergency Shelter (ES) projects that have minimum or maximum lengths of stay. NBN shelters typically serve a high volume of clients, many of whom stay for only one night on an irregular or as-needed basis. The ESG Program will continue to fund ES projects that require or strongly encourage a continuous stay while clients work to resolve their homelessness.

Please refer to the [Emergency Shelter Manual](#) for guidance on operating ES programs.

## 5. Environmental Review

### a. Local Government

According to the requirements in the HUD Grant Agreement, Applicants for assistance that are units of general local government must agree to assume responsibility for environmental review, decision-making, and action under 24 CFR Part 58, “Environmental Review Procedures for Entities Assuming HUD Environmental Responsibilities” and shall comply with the environmental requirements of 24 CFR Part 58 including § 58.4 “Assumption Authority.” If awarded funding, the obligation of funds and incurring of costs will be conditioned upon Applicants’ compliance with 24 CFR Part 58, and completion by HCD of all applicable review and approval requirements as specified in 24 CFR § 58.18.

#### **b. Non-Profits**

Applicants that are non-profit organizations must comply with the environmental requirements of 24 CFR Part 58. The obligation of funds and incurring of costs is hereby conditioned upon compliance with 24 CFR Part 58 and completion by HCD and HUD of all applicable review and approval requirements.

Please see Section D of the 2024 ESG NOFA for further information.

### **6. Match Policy**

HCD requires each ESG Applicants to provide match equal to 100 percent of the ESG funds that HCD awards. The only exception is outlined in Section III.C.2 of the HCD ESG Match Policy. Applicants interested in applying for the match exemption must submit the request and required documentation at the time of their application via eCivis.

### **7. Match Exemption Score**

Under each fiscal year’s (FY) annual ESG allocation, HCD is not required to match the first \$100,000 allocated. HCD is required to pass this benefit to the Subrecipient or Subrecipients who are least able to provide match.

Please see Section D of the 2024 ESG NOFA for further information.

### **8. Approved Policies and Procedures (P&Ps)**

All Applicants are required to develop, implement, and submit written P&Ps at the time of application. These P&Ps must fully detail how the program will be administered. All P&Ps will be reviewed and approved by HCD prior to submission of the first Request for Funds for reimbursement. At minimum, P&Ps must include the following content pieces:

- Participant Triage
- Written Standards;
- Coverage Area;
- Coordinated Entry Integration;
- Participant Eligibility;
- Suite of Services;
- Staffing Patterns;
- Housing Problem-Solving;
- Diversion (Street Outreach and Emergency Shelter);

- Rapid Exit (Street Outreach and Emergency Shelter);

## 10. Advancing Racial Equity

Pursuant to direction from HUD, as provided at the links below, Applicants should prioritize the advancement of racial equity at all levels of the homeless response system. The Department urges Contractors to be leaders in their homeless response systems, fostering partnerships among service organizations and promoting racial equity practices. Contractors must respond to disproportionality in access to services, service provision and outcomes. Contractors cannot simply rely on delivering a standardization of services to address equity. Contractors have the responsibility to examine their data to ensure all eligible individuals receive equitable services, support, and are served with dignity, respect, and compassion regardless of circumstances, ability, or identity.

Applicants should refer to the 2024 ESG NOFA for further guidance on how to incorporate Racial Equity priorities in their applications.

Please see Section D of the 2024 ESG NOFA for further information.

## 11. Grant Management System [Reminder]

The implementation of the new eCivis Grants Management System (GMS) is called “Grants Network”. Grants Network will allow Applicants to apply for ESG funding online and will track the status of their application once submitted. This new system is easier to navigate and does not require Applicants to submit hard copies of the application to HCD. Grants Network will support programs and projects from application through to implementation and closeout and will connect with other digital accounting and reporting systems used by both the Department and HUD. HCD will only be accepting the 2024 ESG applications and all supporting documentation through the GMS. 2024 ESG Applications must be accessed through the [eCivis portal - Programs Available for Solicitation](#) page. Paper binder applications will no longer be required or accepted.

## **Section 5: Eligible Activities**

Each CoC may recommend up to two (2) eligible Applicants to apply for each NOFA.

ESG funds may be used for five program components: Street Outreach, Emergency Shelter, Homelessness Prevention, Rapid Rehousing, and Homeless Management Information System (HMIS), in addition to Administrative Activities. Eligible Activities that may be funded under each component are set forth in 24 CFR § 576.101 through 24 CFR § 576.107.

A minimum of 40 percent of all Contractor’s awarded contract/budget must include the Rapid Rehousing component.

Homelessness Prevention will be limited to no more than 10 percent of any awarded contract/budget and will not be awarded as a standalone activity.

ESG Shelter Operations funds may be used for maintenance activities that do not materially add to the value of the building/property; do not appreciably prolong the useful life of the building/property; and do not adapt the building/property to new uses. Minor repairs may fall under the Build America, Buy America Act.

Rental assistance payments provided as part of an RRH or HP activity under 24 C.F.R. 576.10 cannot exceed HUD’s Fair Market Rent (FMR) as provided under 24 C.F.R. Part 888 unless HUD grants a waiver. HCD has filed a waiver request for the FMR with HUD. HCD will notify applicants awarded funds if the waiver is granted.

**Note:** Applicant’s budgets must identify a ‘primary’ activity.

## **Section 6: Eligible Costs/Populations/Applicants**

### **Section 6(a): Eligible Costs**

Grantee and their recommended subgrantees must follow all the Office of Management and Budget (OMB) Cost Principles and Generally Accepted Accounting Principles (GAAP). The OMB requirements are listed in 2 CFR Part 200. Shifting costs between awards to overcome funding deficiencies is not allowed. Costs charged to the ESG program must be *allowable*, *allocable*, and *reasonable*.

- Allowable costs must conform to any limitations or exclusions set forth in the federal cost principles. Additionally, the ESG NOFA allowable costs must comply with the policies and procedures afforded all activities within the Contractor or Service Provider’s organization

and be treated consistently (whether as a direct or indirect cost). Finally, allowable costs must comply with the GAAP and the costs must be adequately documented.

- Allocable costs are those treated consistently with other costs incurred for the same purpose in like circumstances. These costs must meet the requirements listed in 2 CFR § 200.405.
- Reasonable costs do not exceed, in nature or amount, costs that would be incurred by a prudent person under the same or similar circumstances prevailing at the time a decision was made to incur the cost.
- Eligible costs may be direct or indirect. They must be incurred for the same purpose in similar circumstances and must be treated consistently as either direct or indirect costs.
  - Direct costs are those costs that can be identified specifically with a particular final cost objective (such as the ESG award) and can be directly assigned to an Activity relatively easily with a high degree of accuracy.
  - Indirect costs are those that have been incurred for common or joint objectives and cannot be readily identified with a particular final cost objective or Activity. Contractors that allow Service Providers to seek reimbursement for indirect costs must comply with all OMB requirements, including 2 CFR § 200.403 and Part 200 Appendix 4. Contractor records must include evidence of the modified total direct cost calculations, indirect cost limits, and supporting documentation for actual direct cost billing.

All eligible costs incurred after the date of the ESG award letter issued by HCD are reimbursable after the full execution of the State Standard Agreement. Contractors shall not plan to expend any state ESG funds requiring reimbursement prior to the award letter. Furthermore, no funds shall be expended until any required environmental review process has been completed, if required under 24 CFR Part 58.

### **Section 6(b): Eligible Applicants**

An Eligible Applicant/organization means a Private Nonprofit Organization or a Unit of General-Purpose Local Government that provides our contracts with Private Nonprofit Organizations to provide Eligible Activities, as defined in 24 CFR § 576.2. Eligible Applicants must meet all requirements as outlined in the ESG Program Final Guidelines.

- e) HCD will require evidence that a Single Audit has been performed for all Applicants applying for ESG funds, if applicable, pursuant to 2 CFR § 200.501 and that there are no unresolved findings contained therein.
- f) Contractors that do not submit their Annual Performance Reports (APRs) by the due date will not receive funding for the next two Annual Funding Cycles.

### **Section 9: Evaluation and Selection Process**

A non-conflicted Scoring and Ranking Committee appointed by the IVCCC Executive Board will review, score and rank each proposal that has met the minimum threshold criteria. It is the intent to select proposals that are in accordance with the evaluation criteria set forth. The highest possible score is 90 points.

The Scoring and Ranking Committee's recommendation will be forwarded to the IVCCC Executive Board for final approval of selected recommended proposals.

Standard agreements will be executed between HCD and awarded applicants. The IVCCC Executive Board and the Scoring and Ranking Committee, reserves the right to reject any or all proposals or to waive any discrepancy or technicality and make the award(s) in any manner determined by the County IVCCC Executive Board, and Scoring and Ranking Committee.
