The IVCCC office of record will be the address and point of contact of the identified HUD Collaborative Applicant. Currently: Imperial County Department of Social Services, 2995 S. Fourth Street, El Centro, CA 92243

ARTICLE I. IVCCC GEOGRAPHIC AREA

1.01. GEOGRAPHIC AREA

The IVCCC geographic area includes all of the geography within the County of Imperial, including seven (7) incorporated cities, eight (8) unincorporated communities, and all other unincorporated areas. The physical bounds of this geography are consistent with the boundaries inclusive of these areas. These boundaries contain other Housing and Urban Development (hereinafter referred to “HUD”) designated program components.

ARTICLE II. ESTABLISHMENT OF THE IVCCC

2.01. OVERVIEW

The U.S. Department of Housing and Urban Development (HUD) charges communities that receive funds under the Homeless Continuum of Care Program (hereinafter referred to as “CoC Program”) of the Homeless Emergency Assistance and Rapid Transition to Housing Act (HEARTH Act) with specific responsibilities. The Code of Federal Regulations (24 C.F.R. Section 578.3) defines a Continuum of Care (CoC) as *“the group organized to carry out the responsibilities required under this part and that is composed of representatives of organizations, including nonprofit homeless providers, victim service providers, faith-based organizations, governments, businesses, advocates, public housing agencies, school districts, social service providers, mental health agencies, hospitals, universities, affordable housing developers, law enforcement, organizations that serve homeless and formerly homeless veterans, and homeless and formerly homeless persons to the extent these groups are represented within the geographic area and are available to participate.”* Relevant organizations in the Imperial Valley CoC Region established the Imperial Valley Continuum of Care Council (IVCCC) in 2005, originally known as Imperial County Regional Taskforce on Homelessness, followed by the name change to Imperial Valley Homeless Taskforce in 2013, to the current name of IVCCC, so designated by the IVCCC Executive Board. The IVCCC serves as the CoC coordinating body acknowledged by HUD.

Planning and operations of the Imperial Valley CoC have historically been facilitated through the IVCCC, an unincorporated association as defined under Section 18035 of the California Corporations Code. As a result, the general operations of the CoC have been guided through the Bylaws, structure, and action of the IVCCC.

ARTICLE IX. STRUCTURE

9.01. DESIGNATING HMIS LEAD

The Homeless Management Information System (HMIS) administering agency and/or the applicant /sponsor of an IVCCC dedicated HMIS project grant is an agent of the IVCCC, manages HMIS operations on behalf of the Imperial Valley Region and provides HMIS administration functions at the direction of the IVCCC. Active participation by IVCCC members, either through committee/sub-committee structure or other meetings, in the management of the HMIS process, including establishing policies, procedures and protocols for privacy, data sharing protocols, data analysis, reporting, data integrity/validity, is essential to the viability and success of the HMIS.

The IVCCC has endorsed the concept of a central HMIS system that is capable of integrating data and storing data from various existing homeless data collection systems. An integrated data system is a requirement for Housing and Urban Development (HUD) CoC Program and ESG funding. Policies for compliance with the applicable HUD regulations have been developed and reviewed and adopted by IVCCC Executive Board, and at least annually, by the IVCCC.

HUD requires periodic review of the HMIS Lead to be conducted. These reviews shall include assessment of the organization capacity to fulfill HUD mandated HMIS functions, fiscal accountability, and assessment of alternate applicants.

9.02. SELECTION OF COLLABORATIVE APPLICANT

The IVCCC will designate an eligible legal entity to complete the HUD CoC Program application, referred to as the Collaborative Applicant. The Collaborative Applicant is responsible for collecting and combining the required application information from all applicants and projects and submitting this combined HUD CoC Program application on behalf of the IVCCC. The Collaborative Applicant is the only applicant that is able to apply for HUD planning funds to support the IVCCC in carrying out all of its responsibilities. The Collaborative Applicant provides these functions on behalf of the broader IVCCC. The CoC always retains ultimate responsibility, including the final approval of the application.

9.03. DESIGNATED POINT OF CONTACT

The Governance Board annually reviews and recommends a designated HUD Point of Contact (POC-also known as *CoC Lead*) to the IVCCC using a similar process. Designation of the POC also takes into consideration two critical aspects: 1) the POC must have functional knowledge, access, and regular communication with the internal structures of the Collaborative Applicant organization; 2) to be effective, the POC must possess a comprehensive understanding of the HUD regulations and detailed procedures associated with compliance with the CoC, ESG, and Veterans Affairs Supportive Housing (VASH) programs.
