## IMPERIAL VALLEY CONTINUUM OF CARE COUNCIL

February 1, 2023

Dear Imperial Valley Continuum of Care Council (IVCCC) Executive Board Members:

### **Requested Action:**

Approve resolution of the IVCCC authorizing the continuance of remote meetings in accordance with the provisions of State Assembly Bill 361.

### **Background**

On September 16, 2021, California Governor Gavin Newsom signed California Assembly Bill 361 (AB 361) into law as an urgency bill effective immediately. AB 361 permits legislative bodies of state and local agencies to continue to conduct virtual meetings as long as there is a declared state of emergency or when state or local health officials have imposed or recommended measures to promote social distancing. AB 361 will continue to allow flexible approaches to conduct virtual meetings after Executive Order N-29-20 issued during the COVID-19 pandemic expires (September 30, 2021).

To address the requirement of AB 361, on September 29, 2021, Dr. Stephen Munday, Imperial County Health Officer, issued a recommendation to continue with remote public meetings of governmental entities in Imperial County. The recommendation was made due to the continued threat of COVID-19 to the community, the unique characteristics of public governmental meetings, and the continued increase safety protection that social distance provides as one means by which to reduce the risk of COVID-19 transmission.

As presented to you during the October 6, 2021, IVCCC Executive Board Meeting, in order to continue with virtual meetings, the Executive Board must approve the following findings every 30 days and approve by a majority vote:

- (A) The legislative body has reconsidered the circumstances of the state of emergency.
- (B) Any of the following circumstances exist:

- I) The state of emergency continues to directly impact the ability of the members to meet safely in person.
- II) State or local officials continue to impose or recommend measures to promote a social distancing.

AB 361 will sunset on January 1, 2024.

# IMPERIAL VALLEY CONTINUUM OF CARE COUNCIL

The AE is respectfully requesting the Executive Board to authorize the Chairman of the Board to execute the resolution.

Respectfully,

## **Recommendation Regarding Continued Remote Public Meetings of Governmental Entities in Imperial County.**

Issued: September 29, 2021

In light of the continued state of emergency related to COVID-19, the Imperial County Health Officer continues to recommend that public bodies meet remotely to the extent possible, specifically including use of newly enacted Assembly Bill 361 to maintain remote meetings under the Ralph M. Brown Act and similar laws.

Among other reasons, this recommendation is made due to the continued threat of COVID-19 to the community, the unique characteristics of public governmental meetings (such as the increased mixing associated with bringing together people from across the community, the need to enable those who are immunocompromised or unvaccinated to be able to safely continue to fully participate in public governmental meetings, and the challenges with fully ascertaining and ensuring compliance with vaccination and other safety recommendations at such meetings), and the continued increased safety protection that social distancing provides as one means by which to reduce the risk of COVID-19 transmission.

The Imperial County Health Officer will continue to evaluate this recommendation on an ongoing basis, and will communicate when there is no longer such a recommendation with respect to meetings for public bodies.
