Background/Purpose:

HUD released the NOFO for FY 2022 CoC Program Competition on August 1, 2022, making available approximately \$2,794,000,000. The CoC Program is designed to promote a community-wide commitment to the goal of ending homelessness; to provide funding for efforts by nonprofit providers, States, and local governments to quickly re-house homeless individuals, families, persons fleeing domestic violence, dating violence, sexual assault, and stalking, and youth while minimizing the trauma and dislocation caused by homelessness; to promote access to and effective utilization of mainstream programs by homeless individuals and families; and to optimize self-sufficiency among those experiencing homelessness. The FY 2022 CoC Program Competition applications are due to HUD by Friday, September 30, 2022 at 8:00 p.m. Eastern Time.

Funding Principles:

This notice adopts the IVCCC Executive Board’s established funding principles to guide and prioritize grant allocation. The funding principles are as follows:

- a. Invest in programs that support Imperial County’s service priorities: permanent housing, rapid re-housing, emergency shelters, transitional housing and supportive services to end homelessness.
- b. Invest in programs that support Imperial County’s homeless population priorities and align with HUD-recommended subpopulations such as veterans, youth, families and chronically homeless individuals.
- c. Invest in programs that work towards eradicating homelessness in the region by addressing the underlying causes and lessening the negative impact on individuals, families, and community.
- d. Invest in programs that address significant service gaps among the chronically homeless and establish accountable, long-term, and sustainable results.
- e. Invest in programs that support the housing first policy and emphasize on a comprehensive coordinated service delivery approach to wraparound services to ensure successful housing and self-sufficiency outcomes.

Funding Available:

The 2022 NOFA potential funding for the Imperial County includes:

- \$173,803 in Annual Renewal Demand (ARD)
- **\$85,087** DV Bonus Funds
- **\$42,543** CoC Bonus
- **\$25,526** in CoC Planning Funds

The applicants must match all grant funds, except for leasing funds, with no less than 25 percent of funds or in-kind contributions from other sources in accordance to 24 CFR 578.73.

Eligible Project Applications:

Project applicants are expected to read the instructions and be prepared to respond to all requirements. Each project must comply with all terms and conditions described in the HUD CoC 2022 NOFO and Project Application Detailed Instructions. **Special attention should be given to the items identified in the Project Eligibility Threshold and the Project Quality Threshold sections of the NOFO. For detailed description of HUD scoring criteria, please refer to pages 49 - 52 of the NOFO.**

The following types of project applications will be eligible for completion and submission in the FY 2022 CoC Program Competition.

1. **CoC Planning Projects**: The project applications for CoC planning must be submitted by the Collaborative Applicant, which must match the organization listed as the Collaborative Applicant in the CoC Applicant Profile in e-snaps. This project type is not ranked in the FY 2022 CoC Program Competition. This project type will not affect a CoC's available amount for new and renewal project applications as it is not counted as part of the CoC's final ARD.
2. **DV Bonus**: A project that is dedicated to survivors of domestic violence, dating violence, sexual assault, or stalking who qualify under paragraph (4) of the definition of homeless at 24 CFR 578.3. Except as provided in Section II.B.1.a of the FY 2022 CoC Program Competition NOFO. Projects that want to be considered for the DV Bonus, may be:
 - a. Permanent Housing-Rapid re-housing projects dedicated to serving survivors of domestic violence, dating violence, or stalking that are defined as homeless at 24 CFR 578.3;
 - b. Joint TH and PH-RRH component projects as defined in Section III.B.2.n of this NOFO dedicated to serving survivors of domestic violence, dating violence, sexual assault, or stalking that are defined as homeless at 24 CFR 578.3; or
 - c. Supportive services only-coordinated entry project to implement policies, procedures, and practices that equip the CoC's coordinated entry to better meet the needs of survivors of domestic violence, dating violence, or stalking.
3. **Expansion Project**: HUD will allow project applicants to apply for a new expansion project (see Section III.B.2.j of this NOFO) under the DV Bonus, reallocation, and CoC bonus processes to expand existing projects that will increase the number of units, persons served, services provided to existing program participants, or to increase the current HMIS activities and SSO-Coordinated Entry Projects. If the new expansion project will expand an existing eligible CoC Program renewal project HUD will not fund capital costs (i.e., new constructions, rehabilitation, or acquisition) and HUD will only allow a 1-year funding request.
 - a. Project applicants that intend to submit a new project application for the purposes of expanding an eligible CoC Program renewal project must:
 - i. enter the grant number of the project that is eligible for renewal that the project applicant requests to expand on the new project application;
 - ii. indicate how the new project application will expand units, beds, services, persons served, or services provided to existing program participants, or in the case of HMIS or SSO-Coordinated Entry projects, how the current activities will be expanded for the CoC's geographic area; and
 - iii. ensure the funding request for the expansion grant is within the funding parameters allowed under the reallocation or bonus funding amounts available.
 - b. Project applicants may expand an existing renewal project that is not currently dedicated to serving survivors of domestic violence, dating violence, or stalking that meet the definition of homeless in 24 CFR 578.3 to dedicate additional beds, units, persons served, or services provided to existing program participants to this

population. The new expansion project must meet the project eligibility and project quality thresholds in Section V.C.4.b and c of this NOFO.

4. **New Reallocation Projects**: New projects created through reallocation must meet the requirements set forth in Section II.B.1 of this NOFO and the project eligibility and project quality thresholds established by HUD in Sections V.C.4.b and V.C.4.c of this NOFO. Dedicated HMIS project for the costs at 24 CFR 578.37(a)(2) that can only be carried out by the HMIS Lead, which is the recipient or subrecipient of an HMIS grant, and that is listed on the HMIS Lead form in the CoC Applicant Profile in e-snaps. Additionally, if the CoC has organizations within its geographic area that are victim service providers, the HMIS Lead, or subrecipient, may request HMIS funds for a comparable database. Victim service providers may also request HMIS funds in their project application budgets to enter data into a comparable database.
 - e. Supportive services only (SSO-CE) project to develop or operate a centralized coordinated assessment system.
5. **CoC Bonus**: New projects created through the CoC Bonus must meet the project eligibility and quality threshold requirements established by HUD in Sections V.C.4.b and V.C.4.c of this NOFO. To be eligible to receive a bonus project, a CoC must demonstrate that it ranks projects based on how they improve system performance as outlined in Section VII.B.2.b of this NOFO.
