<b>3. Project Quality &amp; Design (Select only one subsection. Only one project type may be ranked per Scoring and Ranking Tool. Project type description is found in purple. )</b>	<b>Maximum Points</b>	<b>Total Awarded</b>
<b>Permanent Housing: Permanent Supportive Housing (PSH) or Rapid Rehousing (RRH)</b>		
a. The type of housing proposed, including the number and configuration of units, will fit the needs of the program participants.	<b>5</b>	
b. Establishes performance measures for housing and income that are objective, measurable, trackable, and meet or exceed any established HUD or CoC benchmarks.	<b>5</b>	
c. The type of supportive services that will be offered to program participants will ensure successful retention in or help to obtain permanent housing, including all supportive services regardless of funding source.	<b>5</b>	
d. Program participants are assisted to rapidly obtain and remain in permanent housing in a manner that fits their needs (e.g., provides the participant with some type of transportation to access needed services, safety planning, case management, additional assistance to ensure retention of permanent housing). The project adheres to a Housing First model.	<b>5</b>	
e. The proposed project has a specific plan for ensuring program participants will be individually assisted to obtain the benefits of mainstream health, social, and employment programs for which they are eligible to apply, and which meets the needs of program participants (e.g., Medicare, Medicaid, SSI, Food Stamps, local Workforce office, early childhood education).	<b>5</b>	
f. Describes how clients will be assisted to increase employment and/or income and to maximize their ability to live independently.	<b>5</b>	
<b>PSH or RRH Total:</b>	<b>30</b>	
<b>Joint TH/PH-RRH Project Quality &amp; Design</b>		
a. The type of housing proposed, including the number and configuration of units, will fit the needs of the program participants (e.g., two or more bedrooms for families.)	<b>6</b>	

b. The proposed project will provide enough rapid rehousing assistance to ensure that at any given time a program participant may move from transitional housing to permanent housing. This may be demonstrated by identifying a budget that has twice as many resources for the RRH portion of the project than the TH portion, by having twice as many PH-RRH units at a point in time as TH units, or by demonstrating that the budget and units are appropriate for the population being served by the project.	6	
c. The type of supportive services that will be offered to program participants will ensure successful retention or help to obtain permanent housing, including all supportive services regardless of funding source.	6	
d. The proposed project has a specific plan for ensuring program participants will be individually assisted to obtain the benefits of mainstream health, social, and employment programs for which they are eligible to apply, and which meets the needs of program participants (e.g., Medicare, Medicaid, SSI, Food Stamps, local Workforce office, early childhood education).	6	
e. Program participants are assisted to rapidly obtain and remain in permanent housing in a manner that fits their needs (e.g., provides the participant with some type of transportation to access needed services, safety planning, case management, additional assistance to ensure retention of permanent housing). The project adheres to a Housing First model.	6	
<b>Joint TH/RRH Total:</b>	<b>30</b>	
<b>HMIS Project Quality &amp; Design</b>		
a. How the HMIS funds will be expended in a way that is consistent with the CoC's funding strategy for the HMIS and furthers the CoC's HMIS implementation.	6	
b. HMIS covers the full CoC geography and collects all Universal Data Elements as set forth in HMIS Data Standards.	6	
c. Demonstrated system performance improvement (error rate <=10%) and ability to un-duplicate records. Includes metrics and data reflecting expected system improvements.	6	
d. Produces all HUD-required reports and provides data as needed for HUD reporting (e.g, Annual Performance Reports (APR), quarterly reports, data for CAPER/ESG reporting) and other reports required by other federal partners.	6	
e. HMIS Policies and Procedures/Operations Guide.	6	
<b>HMIS Total</b>	<b>30</b>	
<b>System Support – Coordinated Entry System (CES) Project Quality &amp; Design</b>		
a. The centralized or coordinated assessment system is easily available/reachable for all persons within the CoC's geographic area who are seeking homelessness assistance. The system must also be accessible for persons with disabilities within the CoC's geographic area.	5	
b. There is a strategy for advertising that is designed specifically to reach individuals experiencing homelessness with the highest barriers within the CoC's geographic area and who are disproportionately represented within the CoC's homelessness response system. Includes metrics and data reflecting expected system improvements.	5	
c. There is a standardized assessment process that can identify and reach priority populations.	5	
d. Ensures program participants taking into account those who are from historically underserved population through the CoC's prioritization process, are directed to appropriate housing and services that fit their needs including demonstration of plan to include survivors with lived experience in policy and program development.	5	
e. CES includes outreach, prevention/diversion, assessment, housing opportunity, client choice and placement to ensure participants are directed to appropriate housing and services that fit their needs.	5	
f. Complies with DV regulations, guide or operations manual available to participants and includes an antidiscrimination policy.	5	
<b>CES Total</b>	<b>30</b>	
<b>Category 3 – Project Quality &amp; Design Total:</b>		<b>30</b>

4. Project Timeliness	Maximum Points	Total Awarded
Describe plan for rapid implementation of the program. In the case of a housing program, document how the project will be ready to begin housing the first program participant. Provide a detailed schedule of proposed activities for 60 days, 120 days, and 180 days after grant award.	5	
<b>Timeliness Total:</b>	5	

5. Project Financial Feasibility	Maximum Points	Total Awarded
a. The average cost per household served is reasonable, meaning that the costs for housing and services provided by the project are consistent with the population the project plans to serve. (e.g., Project is cost-effective when projected cost per person served is compared to CoC average).	5	
b. Documented match amount meets HUD requirements.	5	
c. Budgeted costs are reasonable, allocable, and allowable.	5
