Emergency Shelter funds may be used only for the costs of providing emergency shelter during the period beginning on the date the grantee began preventing, preparing for, and responding to coronavirus and ending on January 31, 2022 per the HUD CPD Notice 20-08. Per clarification received on May 14, 2021, from California Department of Housing and Community Development (HCD), because HCD included Emergency Shelter in their Action Plan Amendment made for Emergency Solutions Grant-Coronavirus Round 1 (ESG-CV R1), the alternative requirement that Emergency Shelter **and** Temporary Emergency Shelter funds may be used to prevent, prepare for, and respond to coronavirus until January 31, 2022 does **NOT** apply to ESG-CV R2 funds awarded to Grantees by HCD. **Accordingly, all ESG-CV Emergency Shelter and Temporary Emergency Shelter dollars can be expended on eligible activities up to July 30, 2022.**
